

U.S. ARMY

## U.S. ARMY COMMUNICATIONS-ELECTRONICS COMMAND

### **Ms. Judith Pinsky**

*Senior Advisor, Software Engineering Center*

Ms. Judith Pinsky currently serves as the Senior Advisor to the Director, CECOM Software Engineering Center (SEC). In this capacity she assists in strategic executive direction, leadership, management and coordination across SEC. Over the past 15 years, Ms. Pinsky served in various leadership positions across SEC. She previously served as the Associate Director, CECOM SEC Enterprise Information Systems (EIS) Directorate; Deputy Associate Director, Services, CECOM SEC Chief, Information Office; and Deputy Director, CECOM SEC Enterprise Solutions Directorate. Ms. Pinsky joined the U.S. Army workforce as a civilian in 1983.

Ms. Pinsky received a BE from Stevens Institute of Technology in 1983. She has also received a Master's of Science in Electrical Engineering from Farleigh Dickenson University in 1987 and a Master's of Technology Management from Stevens Institute of Technology in 1998.

Ms. Pinsky has published and presented several technical papers on software engineering related technologies and processes.
