“The Critical Link” Workshop

by CECOM Corporate Communications Directorate

January 27, 2014
Topic #1

WELCOME AND OVERVIEW
Overview

- Expected outcomes:
  - Increased understanding of and support to CECOM’s strategic priorities (Lines of Effort and initiatives)
  - Increased understanding of clear and consistent messaging
  - Increased awareness of available resources
  - Trained champions to effectively promote workforce understanding of and support to Command priorities
Campaign Plan LOE 4:

*Initiative 3: Establish an internal communications program that effectively promotes workforce understanding of and support to the Command’s priorities.*

– CECOM Campaign Plan FY2013 – 2015
Overview

Purpose:
- Consistent communication of a shared message can unify CECOM’s global workforce
  - Articulate the key strategic messages in the Campaign Plan
  - Reinforce that every stakeholder is necessary and important
  - Create pride and ownership
  - Articulate value with clarity to help ensure a sustainable future
  - Identify role in CECOM family
  - Communicate that every individual matters
Topic #2

COMMAND MISSION AND VISION
CECOM FY2013-2015 Campaign Plan:
- Sets Command vision for roadmap toward 2020 and beyond
- Provides themes and goals
- Guiding compass
- *Understanding is key to success!*
Commander’s Intent
Develop, provide, integrate and sustain the logistics and readiness of C4ISR systems and mission command capabilities for joint, interagency, intergovernmental and multinational forces worldwide.
Vision

Be the life cycle provider of choice for supporting superior joint warfighting through world-class, globally networked C4ISR systems.

Topic #3

CECOM IS “THE CRITICAL LINK”
“The Critical Link”
CECOM is the Army’s “critical link” in lifecycle support for the communications electronics systems and equipment used by joint forces.

CECOM is the “critical link” that integrates, sustains and maintains C4ISR readiness.
CECOM – A Team of Teams

Central Technical Support Facility
Logistics and Readiness Center
Software Engineering Center
Tobyhanna Army Depot
U.S. Army Information Systems Engineering Command
CECOM’s workforce is a “critical link” to advancing its mission

- Each individual…
  - Is necessary
  - Is part of larger CECOM organization
  - Has an important mission
  - Has a global impact

- Our workforce is the fuel that moves this Command!
“The Critical Link”

- Supply Chain Management
